SERVING KENTUCKY'S 121 SOIL CONSERVATION DISTRICTS

Dear Sponsor,

The 80th Annual Meeting of the Kentucky Association of Conservation Districts (KACD) will be held July 14-16, 2024, at the Crowne Plaza Louisville Airport in Louisville, KY. The KACD Annual Meeting provides an opportunity for our 847 Directors and multiple staff members from 121 Conservation Districts across the Commonwealth to come together; share best practices, participate in educational classes and most importantly network. The Annual Meeting is a much-anticipated event and one that draws a large crowd from our districts and partners.

As you consider your philanthropic priorities this year, I hope that you will consider sponsorship of the Kentucky Association of Conservation Districts Annual Meeting. The attached sponsor form includes additional information about the mission of the Association and the benefits of sponsorship.

As a sponsor/exhibitor, your information will be included in our meeting programs. If there are any additional materials; a pamphlet or flyer, etc. that you would like included in registration packets we are happy to do so. Your organization will receive multiple recognitions during the three-day gathering and most importantly you will have significant opportunities to connect with important stakeholders in the agriculture and conservation community and broaden your own network. This is an excellent opportunity for our organizations to partner, learn from each other and reach a variety of influential decision makers.

The Annual Meeting is a much looked forward to event and we put great effort into being a success. **We hope you recognize the benefits of sponsoring/exhibiting at the 2024 Annual Meeting and join our efforts. The Association would also love to promote your organization by including pens, pencils, lanyards, or other promotional items for your organization in registration packets distributed at our meeting.** This is yet another way to market your business, increase network opportunities and share with our group your mission. Please let us know of your interest in these opportunities.

In the meantime, if you have any questions, please do not hesitate to contact Crystal Renfro, Executive Director, telephone at (502) 682-1770 or by email crystal.renfro.KACD@outlook.com. We look forward to hearing from you and hope to include you as a 2024 Kentucky Association of Conservation Districts sponsor/exhibitor.

Sincerely,

Allan Bryant, President
Kentucky Association of Conservation Districts

**ANNUAL MEETING OF THE KENTUCKY ASSOCIATION OF
CONSERVATION DISTRICTS**

JULY 14-16, 2024

Crowne Plaza Louisville Airport ~ Louisville, KY

The Kentucky Association of Conservation Districts (KACD) provides and promotes leadership in the conservation of natural resources through stewardship and education programs. It coordinates conservation efforts statewide to focus effectively on issues identified by local member districts. Our mission is to serve and strengthen Conservation Districts in the stewardship of natural resources. The KACD is a private nonprofit association of 121 Conservation Districts and 30 Watershed Conservancy Districts in Kentucky that include 847+ Directors and multiple staff members. It is a voluntary, nongovernmental association of Kentucky's districts, and is classified as a 501(c)(3).

Your organization could be a donation sponsor and contributor to the continued success of the 121 Conservation Districts and 30 Watershed Conservancy Districts across the Commonwealth. The Annual Meeting provides your organization not only the opportunity to coordinate with districts but vast networking opportunities. Your contributions keep us moving forward in the name of conservation.
